## NGH needs intensive care now

BY NICHOLAS BIEBER  
nicholas.bieber@hpnorthants.co.uk

**High mortality rates, missed waiting time targets and criticism from staff and patients are among a menu of problems expected to be uncovered at Northampton General Hospital when the Care Quality Commission visits next week.**

NGH chief executive Dr Sonia Swart has taken the bold step of pre-empting the CQC's findings by highlighting the most pressing issues being tackled by hospital management at the moment.

At a media briefing on Tuesday

Dr Swart said: "Once they have been in and written their report, I anticipate we will need improvement."

"We know we must find a way to make sense of the rapidly changing healthcare landscape for patients and for staff."

"We aim to do that by using our resources wisely, and aligning all our clinicians, managers, support staff, targets, initiatives and planning around what really matters for patient care."

"Everything must be aligned around quality and safety all the time."

"We also know that we must listen more to patients, learn,

improve and innovate - and we will do all of those things."

"We are up for that challenge because it is our mission to provide the best care possible for all our patients."

The CQC have chosen to inspect NGH first as they think there may be an increased risk in terms of safety for patients or effectiveness of care.

To tackle the issues, NGH are creating 120 extra nursing posts, their own inspection programme to review and improve quality of care in wards, recruiting a substantive executive team to improve the organisation's stability, strengthening

their Patient Safety Programme and Academy and introducing a more comprehensive mortality review process.

Dr Swart concluded: "I would say to the members of the public that most patients who come here are very satisfied with their care, the standards are consistently improving and we are doing our best to continue that journey of improvement."

There will be a listings event next Wednesday at the Guildhall at 6.30pm for members of the public who wish to give their views on the hospital.

### NGH warns us to be ready for bad news ahead

Northampton General Hospital is warning the community it serves to brace itself for bad news.

The Chief Executive Dr Sonia Swart invited the media to her office this week in advance of the Care Quality Commission visiting the hospital later this month.

The CQC is like Ofsted for hospitals and Dr Swart is not anticipating a good report after NGH has been scrutinised.

There are times Accident and Emergency is not coping, inquests are throwing up issues with the care administered to patients, the death rates are too high, whistleblowers have been whistleblowing, the maternity unit is carrying out high number of caesareans...

Dr Swart laid her cards on the table. These are the problems that are going to be uncovered.

She took up her role in September last year, having previously served as the Medical Director and a Consultant.

This was always going to be her crisis to handle and as grim as things look, I think there are some encouraging signs even at this early point in the healing

**She has been open and honest with us about the diagnosis**

process.

First and foremost Dr Swart has done just what you would want your GP to do. She has been honest and open with us about what the diagnosis is likely to be.

In recent years in various NHS crises around the country we have been confronted with hospitals run by management professionals addressing terrible human tragedies in the most corporate way. It's not their fault.

We are obsessed with the ludicrous fantasy that a health service can and should run like a slick business and these people have been given the job of chasing that dream.

Dr Swart, on the other hand, comes from a much more real world where people pay for your mistakes with their lives. That gives me confidence in her.

I wish her all the luck in the world in the months ahead. It's our hospital. We're all going to need it.

*Steve Scoles*

# Blue tones for MP's mobile

BY LAWRENCE JOHN

lawrence.john@hpnorthants.co.uk

To paraphrase ABC 'when Sawford's phone rings the blues sing'.

This is exactly what happened when to Andy Sawford, the Corby and East Northants MP when his mobile rang while he was asking a question in the House of Commons.

At the precise moment he was asking the Owen Paterson, secretary of state for Environment, Food and Rural Affairs about flooding in Gainsborough Road Corby, Radio Northampton was calling him about the same issue.

Despite this 'social faux pas', the county MP never lost his stride and finished his question without pausing.

Speaker, John Bercow said: "I think Andy Sawford has elevated 'on message' to a new level in that his communication with his local radio station, or a representative thereof, seems effectively to be synchronised."

ERROR: Andy Sawford MP's phone rings in Commons

Speaking to the Herald & Post, Mr Sawford said: "I was not surprised it rang I just forgot to switch it to silent."

"I did not let it put me off and people paid more attention after my phone rang."

"I should not have had it on and always try to make sure I turn it off."

"But an MP's phone is very busy."

Just before the end of the interview came to an end, Mr Sawford's 'famous phone' with the blues music ringtone rang.

# Train season ticket will break £5,000 barrier

BY LAWRENCE JOHN  
lawrence.john@hpnorthants.co.uk

Season ticket rail commuters will have to pay an additional £152 when travelling by London Midland from Northampton to Euston.

The cost of a season ticket in 2013 was £4,980 but this will now rise to £5,132.

This is as the result of an average 2.8% increase in rail fares on Thursday.

As a result pushing the cost of season ticket travel to more than £5,000 a year.

The increase is the smallest rise in four years, according to the pan-industry Rail Delivery Group.

Chairman of the Northampton Rail Users Group, Brian Binley MP said: "I am delighted the government has taken the decision to put a cap on the increase and reduce it by one per cent."

"People who commute from Northampton and who earn £35,000 a year will pay over on quarter of their disposable income on travel to work."

"If you include the cost of car parking and travelling by car this will increase to about £6,000 per year."

"That is crazy. I was appalled the last government was to put a one per cent increase above the

recommended increase.

"I felt this was wrong and I am glad this government has taken this off."

East Midlands Trains which runs through Wellingborough has confirmed the average increase across all of its fares will be 2.6%, or an extra 36p on a single journey.

Fares on around 17% of journeys across the East Midlands Trains network will be frozen in January 2013.

As well as paying for the running of the day-to-day rail network, fares are helping fund a programme of investment.

## Violent crime falls over Xmas

Northamptonshire Police announced up to and including New Year's Eve the number of recorded violent offences 21% down on the same period last year, and 34% down on the year before.

Chief Inspector Dave Spencer, the force lead for alcohol licens-

ing and harm reduction, said he was pleased with the Christmas and New Year policing effort around violent crime.

He said: "Whilst the number of violent offences recorded was higher than during an average week, it was down from 193 for the same period last year to 152

this year.

Detective Inspector Richard Tompkins who manages the Domestic Violence Unit for Northamptonshire Police said: "We visited high risk victims telling them we had things in place. We also targeted offenders and warned them."

**HOMELESSNESS:**  
Cllr David Mackintosh took part in the Big Sleepout last year and described the experience as a real eye-opener

## Leader to sleep rough

The leader of Northampton Borough Council is to sleep rough at Christ Church in Abington for one night to raise awareness of the issues faced by homeless people.

David Mackintosh will be joined by the cabinet member for housing on January 31 to also raise funds for the Northampton Hope Centre.

Councillor David Mackintosh, leader of Northampton Borough Council, said: "Mary and I took part in the Big Sleepout last year. Experiencing a little of what it means to be homeless and spending the night talking to

people who were either homeless or had been homeless was an eye-opener for me.

"Each of the stories I heard that night have stayed with me. Homelessness can so easily affect anyone of us. Everyone who sponsors this event will be making a contribution to what is a very worthy cause."

The sponsored Big Sleepout is organised annually by the Northampton Hope Centre, which celebrates its 40th anniversary this year.

# OAP attacks in car park rage

BY LAWRENCE JOHN  
lawrencejohn@hpnorthants.co.uk

**A pensioner attacked a 27-year-old man for parking in a disabled bay in Northampton.**

The victim was assaulted in a car park in Wood Hill at around 2.30pm on New Years Day.

The man had mistakenly parked his car in a disabled bay, which the irate pensioner took exception to.

He parked behind the victim's car, got out and began shouting at him.

A woman who was with the offender, had to pull the pensioner away from the man.

Both cars left the scene of the incident.

The victim was not injured during the attack.

The offender is described by police as a white man, aged 65, of heavy build, with grey hair and wore thick rimmed glasses.

He was around 5ft 7ins tall

and wore a cardigan and jogging bottoms.

The pensioner drove a silver Kia Carens.

Officers would like to speak to anyone who may have witnessed this incident in Wood Hill or who may have any information regarding it.

Witnesses or anyone with information is asked to contact police on 101.

ANGER: Father of two Joe says the parking ticket has put him off returning to The Hub

## Dozens ticketed outside The Hub

BY NICHOLAS BIEBER  
nicholas.bieber@hpnorthants.

Dozens of parents have handed parking tickets outside The Hub Play Centre in Riverside after new parking restrictions were brought in.

They face penalties of £60 rising to £100 if they do not pay within 14 days.

Hundreds of families have been using The Hub over the Christmas period to keep their children entertained.

However, it has only been allocated 100 parking spaces despite having a capacity of over 700 customers.

Visitors have been

parking their cars anywhere they can and last week parking wardens swept the area ticketing dozens who were not parked in official spaces.

Joe Duncanson, 37, a father of two, was one of the people ticketed on Carousel Way.

Mr Duncanson said: "I am very angry and disappointed. I wasn't aware you couldn't park here, there are no double lines which make it clear."

"The whole point about today was a cheap afternoon out with the kids and now it is costing me another £60. It has definitely put me off coming here again."

It is thought the restric-

tions, managed by UK Parking Control Ltd, are in place to make it easier for delivery vehicles to drive through.

Chief executive of The Hub, Ellis Potter, a parent of two girls, said: "We do sympathise with the people who have had tickets."

"I think the signs need to be made a bit clearer. The words 'no parking' would be something that people can't get confused about."

"We advise anyone who has received a ticket on Carousel Way in the past few days not to pay it yet as we are investigating legally to see if the tickets are valid or not."

## Mum battles to run half marathon

A Northampton mum of two is not only battling for her life against Cystic Fibrosis but she will soon be battling against a half marathon.

Natalie Crawford, 31, has been training since September to get ready for the Silverstone half marathon on March 2.

The Cystic Fibrosis has damaged Natalie's lungs so when she started running she could complete a minute.

Natalie who was diagnosed with the disease when she was 28-years-old said: "I have not just got chest problems with breathing but I also have liver damage."

"Since doing the running on the treadmill it has helped improve my lungs and they

are now the best they have ever been.

"I am pushing myself and I am not going to give in and not let this disease beat me."

"I am taking everyday as it comes and if doing this gives me an extra day of my life."

"I am not going to let it kill me, I am going to fight it."

"I believe it is about being mentally tough and positive."

Not only does Natalie have Cystic Fibrosis but her two-year-old son has it and her five-year-old daughter carries the Cystic Fibrosis gene.

This means if she has children she will pass it onto any off spring.

She added: "I am trying to raise funds for the CF trust to enable then to find a cure."

"I am running this to inspire others with Cystic fibrosis, especially my son to show him we can beat this disease."

"With a life expectancy currently at 37/40 years-old I hope companies or individuals to sponsor me at virgin-moneygiving.co./natalieccrawford

## Have forest of signs shrunk in the rain?

A few weeks ago a positive forest of signs appeared on both sides of Danes Camp Way and Upton Valley Way, showing a tilted car together with 'explanatory' signs telling motorists that they mustn't park half on/half off those verges.

I was particularly intrigued by the signs on Danes Camp Way, as I have never ever seen a car parked on the verge there.

Then, abruptly, the signs shrank and became much smaller and less frequent. What on earth is going on – have they shrunk in the endless rain, or did someone make an expensive mistake and have to pay to replace a lot of signs?

## Good to see leader's New Year message

It is good to see the council leader taking the effort to write a sub-

stantial New Year message. It was good to see him mention 'our town' and 'local people' early on.

I was saddened that he did not build on it but continued by rambling on about the Cobblers, Saints and Steelbacks. I know they are our local teams and that it is great to see them doing well. It is more important that they be seen as our teams. They seem to be solely valued for whatever success they manage. The players are not part of our town – they come and go with regularity: Town have yet again sacked their manager.

Come on, for every winner there is a loser. It is the same with Government; league tables – someone has to come last. It also the case with a running race, except that guy at the back gets treated with respect. This sometimes happens to me in cross-country and it is only me that regards myself as a decrepit has-been.

Government uses league tables to get us to fight each other. It is so much better if we can pull together with each being for who they are.

Whilst I would not want to be negative about the Cultural Quarter or the Enterprise Zone, these are about the image of the town not its residents.

Finally, the North Gate bus station might be bright, clean and modern but it needs to prove itself when it goes live and there are many sceptics. Bus users forced to wait in the pouring rain in Drapery will ponder the irony of

their Mackintosh.

## Sort the town out

In response to the Herald's story about people in Northamptonshire being invited to suggest ideas which councillors at the Guildhall should look into, @standup\_to\_bull gave his response.

# Join marathon to help local charity

BY NICHOLAS BIEBER  
nicholas.bieber@hpnorthants.co.uk

The Northamptonshire Air Ambulance is calling for people to support them in the Adidas Half Marathon on March 2.

There are 50 places available to join the team at one of the UK's largest and most popular half marathons in the country.

Tracy Grunwell, Head of Fundraising at WNAA said: "Places on runs and marathons can be hard to come by, with many people wanting to run as their way of raising money for charitable causes. This is a marvellous opportunity for runners to get their place for the Half Marathon and in the process do their bit to support the their local air ambulance."

You will be required to pay a £20 registration fee and will also receive benefits such as a WNAA running vest to wear with pride, a fundraising pack and a training programme to help with your race

preparation. If interested, email [running@theairambulanceservice.org.uk](mailto:running@theairambulanceservice.org.uk) or call 08454 130 999.

The WNAA has no Government or Lottery funding and it is individual support which helps them raise funds for state-of-the-art equipment and to keep the air ambulance flying.

## Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Trevor Skidmore feels that it's all about service. "Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 5 year guarantee. But it's not just about saving people money, although

that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole."

Cloudy2Clear service the Northampton, Kettering, Wellingborough & Corby areas and Trevor is finding

that his approach is a major factor in his success. "The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done

work for, which just goes to show how much a little bit of effort is appreciated."

So, if your windows are steamed up, broken or damaged give Trevor a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

**FINANCE: Staysure headquarters in Northampton hit by cyber attack**

# Cyber crime hit Staysure

BY LAWRENCE JOHN  
[lawrence.john@hpnorthants.co.uk](mailto:lawrence.john@hpnorthants.co.uk)

**Northampton based insurance company, Staysure has written to more than 90,000 customers after it suffered a cyber attack.**

In December 2013 the company wrote to a group of our customers telling them its systems suffered a cyber attack during the second half of October 2013.

In the attack, encrypted payment card details of customers who purchased insurance from them before May 2012 were stolen, along with CVV details and customer names and addresses.

From May 2012 the firm ceased to store this data.

Ryan Howsam, chief executive officer said: "We became aware of the problem on November 14, and quickly informed the relevant card issuing bodies and subsequently The Financial Conduct Authority, the Information Commissioner's Office and the Police.

"We hired independent forensic data experts to fully ascertain the extent of the problem and have written to 93,389 affected customers, which represents fewer than 7% of our customer base, to warn them and to ask them to

check that they have not been the victims of any fraud as a result.

"We have offered those customers free access to Data Patrol, a comprehensive, identity monitoring service provided by Experian.

"The service offers 24/7 online identity fraud monitoring, alerting by email if any customer data is compromised.

"This is supplemented by a telephone based fraud resolution service.

"We continue to work with those groups and independent security experts.

"We immediately removed the software and systems that the attackers exploited, and are confident we have taken the right steps to protect our customers in the future.

"We are deeply sorry that this has happened and are working diligently to make sure that inconvenience to customers is minimised."

Staysure stated if it has not written to you, you will not be amongst those affected.

If you are in receipt of the Staysure letter and have any concerns or queries please call the numbers provided.

The contact numbers to call are: 0800 007 4540 or 01604 214 575

## 12 residents hit in telephone scam

Northamptonshire police are issuing crime prevention advice following 12 reports of a phone scam which took place in the county on January 5 between 1pm and 7pm.

The scam involves a caller attempting to encourage people to part with bank details, including pin numbers.

During the scam the offender calls the

resident, purporting to be a police officer investigating a fraud on their bank account, a fraud investigator from a bank or other bank official. They ask for account information, including their card numbers, security number and pin number.

If the resident becomes suspicious, the offender suggests they call 999 or 101

and ask for confirmation that the person is a police officer.

The victim then calls police, but doesn't realise the offender has not hung up so goes straight through to them again.

If you receive one of these calls end it immediately report any incidents to the police.

Always call 999 if the crime is in action.

## Booking the stars who shine for us

BY LAWRENCE JOHN

lawrence.john@hpnorthants.co.uk

The next time you look at a brochure at The Royal & Derngate in Northampton take a moment to think about the number of shows coming to town.

Have you ever thought how these shows get booked and are lined up to come to

the theatre?

This is achieved by a team of programmers who even as you read this have planned the shows up to March 2015.

They have already booked the pantomime for the Derngate in December which will be Peter Pan with Joe Pasquale and Merlin at The Royal.

Ashley Bishop, programmer at the theatre said: "We have got the majority of 2014 book minus a few dates in the summer and the autumn."

"We are already looking ahead to 2015 and have booked January to March 2015."

"We will continue to programme this year until we

fill the gaps.

"To bring the acts to Northampton we are in contact with the various agents and producers.

"They ring us up and say they are touring these acts in 2014 and when can we fit them in.

"If we cannot we say can be book for then and this is when we are free.

"At the moment we are selling tickets for Ross Noble (comedian) for February 2015.

"His first tour dates start in September 2014 and he reaches us in February 2015. "They wanted people to be able to buy tickets for his whole tour at once.

"We are very lucky at the Royal & Derngate as we have

two separate venues.

"We have also been able to secure top West End shows such as Let it Be, The Full Monty and One man, two governors.

"As a venue this allows us to get comedians like Russell Brand before he appears at the O2.

"This is the first time he has come to Northampton."

UPLIFTING: New  
bridge swings into  
place at the station

## Bridge building on track

A new footbridge has been lifted into place at  
Northampton's new railway station.

The main structure will also have started to rise  
in what will be a milestone month for the con-  
struction of the new £20m build.

To avoid disruption to passengers, the bridge

span was lifted into place overnight on Christmas  
Eve and early Christmas morning when the West  
Coast Main Line was closed.

Longer-term phases of the development poten-  
tially include a 1,270 space multi-storey car park,  
as well as a 28,000 sqm commercial development.

# Have your say on Project Angel

BY LAWRENCE JOHN  
lawrence.john@hpnorthants.co.uk

People across Northamptonshire will be able to have their say on the designs to transform a large area of derelict land into a 21st century office complex.

Designs are soon to be submitted to planners at Northampton Borough Council for new office accommodation in the town's Angel Street which will allow the county council to centralise its Northampton-based staff out of an existing stock of 12 ageing buildings into one energy efficient building to avoid up to £54m in future building maintenance costs.

Designs for the new building, which would also help boost town trade by up to £12m by moving 2,000 employees into the town-centre, are now up for public comment at a special exhibition being held in the town's Grosvenor Centre this week.

Leader of the council Cllr Jim Harker said: "This year will see this project truly starting to come to life and this exhibition is the first of

PLANS: Artist's impression of new building

many developments this year.

"We will be showing a set of designs for the new building at the Grosvenor Centre this week to give as many people as possible the chance to see them and then give their views.

"Next month we will submit our proposals to the planning authority and getting people's views at this stage is a very important part of this process."

The exhibition will be on display at the Grosvenor Centre, between 9am and 6pm, on Friday 10th and Saturday, January 11.

People visiting the exhibition will be able to fill in a brief survey giving their views on the designs.

The comments will also then be summarised and included with the final planning application set to be submitted to the borough council in February.

## Welcome. . .

I'm a tall fella. Why am I telling you that? Because when I look for somewhere to live I take that into account.

We are all looking for somewhere different. It's not always as simple as finding a place with the right number of bedrooms or the right price.

Sure these things are important but the agents we work with at the Herald & Post understand there is more to finding that little bit of magic that makes a place your home.

These guys have a wealth of knowledge and it's not just in the housing market.

In the pages of this supplement you'll find expertise in the rental and commercial property sectors too. Back in my hometown of Cork they say: "You don't know what you don't know" and working with these agents has been an education.

I'm proud to be introducing them to you,

Warm regards,  
Alan Doyle

# Spacious and affordable homes for all . . . Enjoy Upton Square's modern and stylish designs

Upton Square is a housing development in Northampton with spacious and affordable new homes. The homes range from one bedroom apartments to large four bedroom houses, and all finished to a high standard and cleverly designed to get as much out of the space as possible.

Metropolitan, the people behind Upton Square, are the experts in getting people in to their new homes – they help someone move house every 15 minutes. They have been working hard to make housing more affordable over the last 30 years, by offering a wide range of purchase options.

They are really pleased to be able to offer all their Upton Square homes on the Government's Help to Buy scheme. With this scheme most mortgage lenders will agree a 5% deposit and you can also receive a 5-year interest free equity loan of up to 20% of the value of the property – meaning you will need a smaller deposit and a smaller mortgage, so you can be in your new home sooner.

What's more, this month Metropolitan is offering £1,000 towards legal fees on reservations made before the 31st of January 2014.

If you'd like to find out more about Upton Square and Help to Buy, then you can visit [Uptonsquare.co.uk](http://Uptonsquare.co.uk) or pop along to the sales office, Upton Square, Upton, Northampton NN5 4EZ. Or call on 01604 244 406.

## SkyVac prevention is better than very costly repairs.

Gutters can accumulate a lot of debris, mostly leaves and twigs over a winter which will inevitably cause clogs and overflow.

This is especially bad for your roof because standing water in a gutter can get up under your roofing and begin to rot your fascia and sub roofing.

SkyVac reaches over awkward spaces like extensions and conservatories. No need for expensive scaffolding and ladders

On-board camera with monitor ensures SkyVac leaves nothing behind

## WHAT'S ON ROUND-UP

# These actors believe it is all in the timing

BY LAWRENCE JOHN

lawrence.john@hpnorthants.co.uk

Royal & Derngate's community group The Actors Company look forward to welcoming audiences to six short plays from David Ives' collection All In The Timing, which can be seen at Royal & Derngate on Saturday 11 and Monday, January 13, and also at Northampton Museum & Art Gallery on Tuesday, January 14 and at the NN Cafe on Friday, January 17.

Directed by Erica Martin and Georgia Munnion these incisively intelligent and side-splittingly funny sketches by David Ives will disorientate and delight audiences, highlighting that comedy really is all in the timing.

The cast of 22 have enjoyed some alternative approaches to rehearsals and a spot of method acting, with visits to Aspers Casino and Papacinos, learning about how chimpanzees move and communicate on a trip to Whipsnade Zoo, a body language workshop with Susan Quilliam, a Russian history Q&A with a leading expert Dr Claire McCullam and a game of mini-golf at Pirate Island in Milton Keynes.

The entertainment will be presented with audiences

seated cabaret style at Royal & Derngate and the NN Cafe, while at Northampton Museum & Art Gallery audiences will be led in a promenade to discover performances in various spaces throughout the building.

Tickets for All In The Timing are priced £10 (including one drink from a choice of wine,

beer or soft drink). Performances at Royal & Derngate on 11 and 13 January, and at The NN Cafe on 17 January, start at 7pm. Promenade performances at the museum on 14 January start at 7pm, 7.20pm, 7.40pm or 8pm.

The show is recommended for ages 16 and above.

## Sweet laughter

BY LAWRENCE JOHN

lawrence.john@hpnorthants.co.uk

Three more of the hottest properties on the stand-up scene take the stage at the first Screaming Blue Murder Comedy Club of 2014, compered by Dan Evans at Royal & Derngate on Friday, January 17 at 8.15pm.

Anthony King intersperses his dark, spiky songs with whip-smart, deadpan stand-up, Susan Murray's skill at lampooning regional accents and eccentricities might have something to do with her having been brought up by Glaswegian parents in the West Midlands.

And fresh from his recent victory at the Scottish Comedian Of The Year competition is, Larry Dean.

Tickets cost £12.50, and can be booked by calling Box Office on 01604 624811 or visiting www.royalandderngate.co.uk the show is recommended for ages 16 and above.

## A Royal ballet live on the big screen

The Castle in Wellingborough is the venue on Monday, January 27, for The Royal Opera House Live cinema screening of The Royal Ballet's most loved and admired production of Giselle.

The story brings together an engaging mix of human passions, supernatural forces, and the transcendent power of self-sacrificing love. The production by Sir Peter Wright catches the atmosphere of

this great Romantic ballet.

Giselle dances with lightness and fragility, giving the impression of floating through the mist. This is one of The Royal Ballet's most loved and admired productions, faithful to the spirit of the 1841 original yet always fresh at each revival.

Tickets for Giselle at 7.15pm cost £15 (£13) and are available by calling on 01933 270 007 or online at www.thecastle.org.uk

Sherlockmania again

The modern day dynamic duo of Holmes and Watson are back.

After what has been far too long, they are once again weaving their magic on BBC1.

So far we have had two of the three new episodes of season three.

One dealing with the return of the great man after he appeared to fall from the roof of Bart's Hospital and die.

The second focussed on the wedding of John to Mary coupled with the death of the bloody soldier.

The third entitled His Last Vow will be broadcast on Sunday.

It has been a rollercoaster of a ride since Holmes came back from the dead.

We have seen his brilliance of crime detection shine and his fear of being John Watson's best man.

He has been humanised in these episodes perhaps it would have been better if he had been left as a riddle tightly wrapped in an enigma.

One code we did not need cracking.

- Co2 emissions: 87g/km
- 0-62mph 11.2s
- Max speed 112mph
- (combined) 85.6mpg

If you find the automotive industry's current obsession with fuel economy, exhaust emissions and generally appearing to be greener than the Amazon rain forest an ideal cure for insomnia, then Ford's most frugal diesel Fiesta, the 1.6 TDCi ECOtec, may not be your kind of car.

Modifications designed to enhance this car's efficiency include a special electric power steering system, low rolling resistance tyres and a gear-change light that prompts you to change up at the optimum time but these are fairly unobtrusive.

Most important is a start stop system that cuts the engine when you don't need it, stuck at the lights or waiting in traffic.

These tweaks apart, the driver is otherwise free to get on with enjoying one of the best handling small cars in the business.

**Avoid the stress of the January bargain hunt as Northampton's largest used car retailer has everything covered.**

CarShop, situated on Crow Lane Industrial Estate, is fully equipped to cater for all of Northampton's buying, selling and servicing needs. Whilst many car dealerships are using gimmicks to stand out this January, CarShop's one-stop-shop approach promises to deliver the most competitive prices in the area, along with a great car buying experience.

## Car Buying

Whether you prefer to shop in a physical retail environment where you can see, touch and test drive the product; or you're more at home shopping from the comfort of your

home, CarShop has all the bases covered.

CarShop's giant store offers a welcoming environment where visitors can shop with ease in a pressure-free manner; be it in the traditional fashion of browsing all the vehicles in the showroom, or by taking advantage of the complementary wi-fi service to search the stock on carshop.co.uk via a mobile device - the simple way to search high and low through the masses of cars. Highly-skilled Customer Consultants and Business Specialists are also on-hand to assist with individual needs and to offer advice during the search. But that's just the start. Once the options are narrowed down CarShop's friendly staff take visitors through a simple selection process, using the latest in-store technology, to select the most appropriate vehicles to test drive. And because CarShop like to ensure

customers get in the vehicle which best suits their needs, there is no limit to the amount of test drives which can be taken.

For those who prefer more of a virtual experience, the retailer's award-winning website offers a range of features designed to make the user experience as simple and as helpful as possible. Considered to be 'the sixth store' (on top of Northampton and the four other UK stores), the site boasts an extensive amount of vehicle information including: 32 images, video functionality, tailored finance examples and numerous ways to get in touch for more information. Perhaps more importantly, users also have the ability to place online reservations of vehicles; once reserved the vehicles can be collected in-store or be delivered directly to a UK mainland address. This total-car-buying-solution has proved to be very popular amongst visitors to the website.

## Unbeatable Prices and Funding Options

CarShop really can back up its claim of having the lowest prices, and that's because of its Price Match Promise\*. If the same or similar car is found within 40 miles of the store, CarShop will refund the difference - even up to 48 hours after purchase! So whilst other retailers may be using price gimmicks in a bid to grab attention, CarShop are confident they can deliver unbeatable value. And for added re-assurance, CarShop have a dedicated pricing team checking vehicle prices daily to ensure they are competitively priced in the local area.

The retailer's ability to secure finance for a large proportion of its customers is something it prides itself on. Utilising a repertoire of some of the biggest named lenders in the business, including Black Horse and Santander, CarShop are able to secure both Hire Purchase and Personal Contract Purchase finance packages based on individual customer circumstances. As an added incentive, throughout January, CarShop have finance packages whereby after the deposit has been paid, there is nothing else to pay for three months.

## Unbeatable Choice

With up to a 1,000 cars in-store and new stock arriving each day, CarShop will always have a car to match individual tastes and requirements. With models from every area of the used car market, including: city cars, compact hatchbacks, saloons, estates, spacious MPV people carriers, 4x4s, sports cars and prestige cars from

top manufacturers, the retailer has something for everyone.

Even if it's not in-store, it's more than likely to be in stock. That's because CarShop Northampton is part of a large and successful car supermarket group with five stores across the UK; operating in Cardiff, Doncaster, Norwich and Swindon in addition to Northampton. With up to 4,000 vehicles held in group stock, any one of which can be made quickly available, CarShop work hard to get the right vehicle to the customer.

## Peace of Mind

Buying a car is a big commitment, but CarShop are dedicated to ensuring their sales process provides complete peace of mind. That's why every car sold carries a 3-month guarantee; in the unlikely event that something happens within three months (or 3,000 miles) after purchase CarShop will take the car back, carry out an assessment and repair any necessary work. That's not all, every customer also has seven days to change their mind after purchase with the 7-day money-back guarantee\*. After all, sometimes it takes a while to really know if the car purchased is the right car.

It's also reassuring to understand that every car showcased by CarShop has been prepared to a very high standard prior to sale, having been subjected to a comprehensive 114-point safety inspection and a HPI vehicle history check.

For those looking for a bit of added peace of mind, CarShop also sell RAC approved Extended Warranties, VAP Insurance and Service Plans, so it really does have everything covered.

## Car Selling

It's no surprise that CarShop will take in part-exchange vehicles. But, what may come as a surprise is that the valuations are independently calculated based on the current market value at auction. Using quite a scientific process, pulling data from live auctions, car valuations can be worked out on the spot. And for those who have lots going on, there is even a tool on the website which uses the same data to provide an instant guide valuation of a vehicle online.

With it being January, CarShop understand that not everybody is looking to purchase a vehicle; but, that's not to say circumstances haven't change and that some people may be simply looking to sell their vehicle. With CarShop this isn't a problem as they will buy cars even if the customer doesn't buy one of theirs. What's

more, it's not just cars they take in, they'll pretty much offer valuations based on any motorised vehicle.

## Car Servicing All-Makes Servicing & Repairs

Employing skilled, experienced and fully-trained automotive technicians, CarShop's well-equipped Service Centre provides exceptional value for money. Offering a full servicing solution, the centre caters for all vehicles and is fully equipped to handle servicing, MOT and vehicle maintenance work. True to the CarShop brand, the Service Centre mirrors the retail arm's values of carrying out quality work at competitive prices.

## Current Promotions

Right now MOTs are available for just £19.99, whilst a combined interim service and MOT can be provided from only £98.00\*. And with the winter weather taking its toll, CarShop are offering free winter health checks covering all the essentials to ensure cars are fully prepared to handle the harsh weather.

## Continual Improvement

In a bid to ensure CarShop stores provide the ultimate car-buying experience the group has teamed up with industry-leading customer

experience management partner, Empathica. This joint venture was introduced to allow customers to provide independent feedback about their CarShop experience, providing CarShop with valuable insight in to areas of improvement.

Chris Delaney, CarShop Northampton Operations Manager, commented on the scheme saying "Our customers are at the heart of everything we do, and we need to be sure that we continually deliver that great experience which customers deserve. I mean, buying a car is a significant investment, and as a retailer we need to stand out on the experience front. So far I'm thrilled with the feedback we have received, with a high percentage of all feedback rating the experience as a 'WOW' experience. But, more importantly, there have been areas highlighted

where we have needed to improve. I'm please to say we are addressing these, and will continue to do so throughout 2014."

**the Hazeley ACADEMY**

## Faculty Team Support Assistant – English

Grade MK5 £15,213 – £18,515 • 37 hours a week, Term time only

## Site Team Assistant

Grade MK4 – £15,882 – £18,638 • 37 hours a week, 52 weeks a year

The Hazeley Academy was first opened in September 2005 with just short of 300 year 7 & 8 students in what was to become a £30+ million new-build on the western flank of Milton Keynes. Although still young and evolving we are now close to capacity (1567) with a sixth form of nearly 300. Judged by Ofsted in 2009 as a good school with outstanding features with an outstanding subject in 2011, we also have a track record which positions us as one of the highest achieving schools in the city.

An exciting new opportunity as a Faculty Team Support Assistant (FTSA) for the English department has arisen. We are looking for someone who has both classroom and administrative experience and the role would suit someone who is looking for a teaching career in future years. The purpose of the role would be:

- To work within a faculty to support the realisation of the planned and personalised curricula (including learning support for small groups alongside clerical & administrative tasks).
- To provide cover for absent teachers (primarily, though not exclusively within your Faculty); that includes supervising classes/groups of students, generally assisting students and ensuring that they carry out the tasks set by teachers.

The post holder will need to be confident in the use of IT programmes including Word, Excel and Outlook, be able to use their own initiative and work with minimal supervision.

A vacancy has also arisen for a new Site Team Assistant to join our fantastic team. We are looking to appoint a committed and enthusiastic person with DIY experience who is willing to be flexible as the role requires the successful candidate to work shift patterns and also work occasional weekends. The shift patterns alternate between morning (7am – 3pm) and evening (2.30-10.30pm), please note the times are only a guide and can change subject to school needs. Experience of working within a school environment is desirable however not essential for the role.

Please do find out more about the Academy at our website – www.thehazeleyacademy.com.

Please provide a covering letter stating why you wish to work at The Hazeley and what qualities you can bring to the Academy.

An application pack is available from our website www.thehazeleyacademy.com or alternatively you can contact Mrs Roshni Gandhi-Patel, HR Administration Assistant, at the address below.

The closing date for applications to be received in school is 12.00 p.m. on Friday 24th January.

The Hazeley Academy is an equal opportunities employer. The Hazeley Academy is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. An enhanced DBS check is required for all successful applicants.

## Mixed fortunes for Titans' teams

### BASKETBALL

Northamptonshire Titans U16 boys racked up a 75-51 victory over Cambridge Cats in the Midlands East Conference.

Sam Stopps top-scored with 15 points while Lewis Kain chipped in with 12.

Elsewhere, the U15 boys brought up a century of points with their 103-58 victory against Shropshire Warriors.

Hayden Alcindor led the way with 32 points to his name while Elliott Farrar helped himself to 17.

The U13 boys slipped to a 65-45 defeat to Notts Nova and the U14 girls were also beaten, 81-45 by Ipswich Basketball.

## County look for Liberty revenge

### BOWLS

The most important of Inter County National competitions sees the men of Northamptonshire Indoor Bowling Association looking to reverse the result of last year's 'Liberty Trophy' contest against Cambridgeshire men, when they entertain them at Kingsthorpe IBC on Saturday.

The county team is bound to be in good spirit after a very good win in the first round against Hertfordshire, and the players will be hopeful of progressing to the quarter finals for the second time in 3 years

## Double delight as R&N clinch titles

### ATHLETICS

Rugby and Northampton Athletic Club turned on the style at Wicksteed Park to regain both the senior men's and women's team titles at the Northamptonshire Cross Country championships.

Spurred on after missing out on both gongs in 2013, the club scored seven team victories and five winning individual performances.

The men took victory by more than 100 points with their best performance in a decade, to claim the title they last won back in 2010.

For the women, it was a ninth county title in 12 years.

## Last eight spots

### TABLE TENNIS

Northamptonshire born players Andrew Baggaley and Chris Doran both made it through to the quarter finals of the World Championships of Ping Pong at Alexandra Palace in London.

The tournament sees players compete using traditional sandpaper bats in a throwback to the old days of the sport.

Baggaley, who competed at the London 2012 Olympics, lost to American Ilija Lupulesku in the last eight, with Doran going down to Richard Gonzales of the Philippines.

# Make-or-break fortnight for Saints' European bid

### SAINTS

BY DAN PALMER

dan.palmer@snmedia.co.uk

**Lee Dickson says that Saints will only worry about themselves as they bid to reach the Heineken Cup quarter finals.**

Northampton's outstanding form domestically sees them sit second in the Aviva Premiership – three points shy of leaders Saracens – but attention now turns back to Europe and Jim Mallinder's men have it all to do.

Despite the sensational 18-9 victory in Dublin over Irish giants Leinster last month, the Pro 12 outfit still have a vice like grip on top spot in pool one, which they lead by four points.

Saints are second having lost twice already and know that realistically, two victories from their last two games will be required to make it to the last eight.

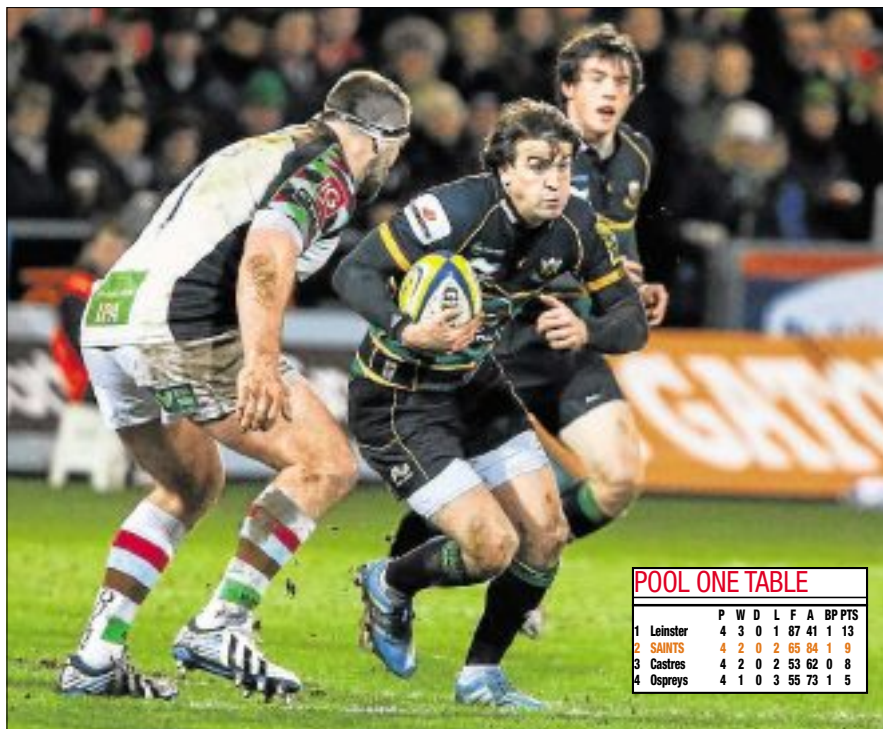

Only the six pool winners and the two best runners up progress through to the quarter finals so there are numerous permutations for Saints ahead of the trip to Swansea to face Ospreys on Sunday and then the home clash with regular foes Castres Olympique a week on Friday.

Much could depend on the outcomes of other games but Dickson said Saints would just focus on matters that are under their control and the tasks in front of them.

They face a big challenge against an Ospreys outfit sitting third in the Pro 12 and the reigning French champions Castres.

"We're putting the Aviva Premiership to bed for a little bit and concentrating on the Heineken Cup," scrum-half Dickson said.

"Things have been going well in the Premiership, but now we've

got to get the next two Heineken Cup games and take some points from them and see what happens after that.

"It's going to be a really big challenge. But all we've got to do is worry about ourselves. We can't worry about what's going on elsewhere.

"We've got to make sure we go down to Ospreys, do well away from home and get a win.

Then it's Castres back here on a Friday night, and hopefully we'll get a win from that as well.

"Then it's in other peoples' courts. We've just got to keep on winning."

Director of Rugby Mallinder said that the Heineken Cup had not been on his squad's mind since the win in Leinster, with his side racking up league wins over Wasps, Bath and Harlequins – the

latter on Friday night – in the games following that victory.

"We've not spoken about the Heineken Cup for a few weeks, it's all been about the Premiership, but it's nice now to put that to bed for a little bit," he said.

"We had a chance to give the lads a couple of days off, but it's a different competition with different opportunities for us now and something to look forward to."

## Praise for Hartley after fine Quins victory

Saints director of rugby Jim Mallinder hailed the performance of try-scoring captain Dylan Hartley after his side saw off Harlequins 23-9 in the Premiership on Friday night.

Hartley, pictured, scored the Saints' second try of the night after George North crossed five minutes after the break as they saw off a determined opposition at the Gardens to briefly go top of the table.

Saints stood by Hartley last season after his sending off in the Premiership final and Mallinder believes that decision has been vindicated by his performances.

"We said all along that Dylan is

our captain and is our leader and he leads by example on and off the field," he said.

"He is developing, he is a fantastic player and he is a quality leader. It was tense, it was close.

"We were confident going in at half-time even and playing down the slope second half, it's our favourite way.

"We came out and we dominated the second half and we put them under pressure, took our tries well.

"The George North try was a beauty and we deserved to win the game."

Hartley's try came after Harlequins had stolen the ball

from his lineout but when the interception bounced over the visitors' try-line and came loose the Saints captain was first to react.

By that stage Northampton looked to have done enough to hang on thanks to North's open-

ing score and the boot of Stephen Myler with Mallinder admitting the Welshman's try was crucial.

"We needed it (George North's try). He was one on one and it was fantastic," Mallinder said.

"It was against young (Charlie) Walker, who is a talented player, but George, one on one, you've got to make sure you make a good tackle. To see him go in the corner was fantastic.

"The lineout is not easy in those conditions and really you want to go to the front or middle and you don't want to be chucking too many towards your tail players. They put us under a bit of pressure there."

## Moyo surprised that he is back in the Cobblers' fray

### COBBLERS

BY DAN PALMER

dan.palmer@snmedia.co.uk

David Moyo has admitted to being surprised at being back in the Cobblers' fold – but he is enjoying every minute of Football League action he gets.

The 19-year-old striker had been plying his trade in the non-league ranks this season thanks to loan spells away from Sixfields at Corby Town and Stamford but has found himself back at Northampton following the upheaval caused by Aidy Boothroyd's sacking.

Caretaker boss Andy King recalled him from Skrill North outfit Stamford with injuries and loan re-calls hitting the club and he has since played a part in all three of the temporary manager's matches in charges, the away trips to Burton Albion, Portsmouth and Newport County.

Before that run his only appearance was in the Capital One Cup defeat at home to MK Dons back in August and the youngster wasn't tipped by many to appear on a regular basis.

Now though, he has a chance to impress and his impact with the Cobblers could have been more notable had he not been tugged back when one-on-one late on against Portsmouth.

"I would never have thought before Christmas I'd be where I am now," said Moyo. "I'm happy it's turned for the better."

"As long as I'm in and around the team and can have an influence on the game I'm happy."

Moyo said he didn't know if another loan spell was in his future but he is happy to be working under and learning from King.

"I don't really know what's going to happen, things can change," he

said. "Two weeks ago I was at Stamford, now I'm here playing."

"It seems like we've turned a corner, performances have improved and Kingy is doing a great job, the lads are working for him."

"Andy has helped me out a lot, made me feel very confident, given me a chance and trusted me

out on the pitch." Moyo sees himself as someone who can operate as both a striker and a winger and he says that Arsenal and France legend Thierry Henry is someone he can bid to be like.

The arrivals of new loan front pair Hallum Hope and Antonio German may have pushed Moyo a

bit further down the pecking order but the teenager is confident that he won't be playing second fiddle for too much longer.

"Andy has said that they are more prolific than where I am at the moment but I will get to a stage where I am prolific like they are," he said.

## Carter no longer on the sidelines

Cobblers midfielder Darren Carter is enjoying playing his part in the team's fortunes – having been recalled to the side by caretaker manager Andy King.

Carter, 30, was a high profile summer signing from Cheltenham for the Sixfields outfit, but it's fair to say that things haven't gone quite as planned for the former Premier League player, as his team sit bottom of League Two and he has been forced to watch from the sidelines for a number of games after being dropped from the squad by former manager Aidy Boothroyd.

But King, down to the bare bones due to a prolonged injury list and the untimely re-calls of a number of loan players, put his faith in Carter to rediscover the form which won him a move to the club.

And the midfielder has put in two of his best performances for the club in the last three games – though he had to miss the away clash with Portsmouth due to picking up five bookings.

"I was disappointed that I didn't play much, I think it was eight games where I didn't feature," said Carter.

"I've come to the club to have a great season and help the team. As I said after the Burton game it's difficult to be on the sidelines because you want to be out there putting things right. But going and enjoying it again is a big thing for me."

"You always do have a point to prove when you're left out of the side, you want to come back in and prove that you are worthy of playing. I'm now playing to stay in the team."

Carter bagged the winner in Saturday's 2-1 win at Newport and expects the club's vacancy to be filled soon.

"Kingy has been great, he's done a good job with Tim Flowers," he added.

"They've settled us down and got us ready for the last three games and the way we have performed – we've been organised and prepared and ready for each game – has been good."

"Kingy is a great character, and the lads love him. We've obviously performed well in the three games but we need to build on that now, and we've started with a great win at Newport."

"I would probably expect a permanent appointment soon, it's been a while without having a manager and I expect there's been things going on behind the scenes."

"But we've just focused on things on the pitch and training ground, and that's all we can do as players to get ourselves out of this position."

## Cardoza: We need to get this right, let's take our time

### FROM BACK PAGE

situation. They have bought us time to decide on what to do and we will use that time to assess thoroughly the options open to us. Appointing the next manager is a crucial decision, we have undertaken a lot of interviews and talked to a lot of people to gain their opinion.

"It is an on-going process but while Andy and the players are getting results it is a case of not rocking the boat."

"If the players want the situation to carry on they need to keep giving 100 per cent and to keep winning games."

"We will support Andy and I expect some players to come in and a player or two may

depart next week as we prepare for our next game."

"We need to get this right, so let us take our time. With the team performing as they are, we have that time."

"I am sorry we are in this position again, but we are where we are. The redevelopment is great but the only thing that matters in the next few months is retaining our Football League status."

One contender for the job – former Cobblers midfielder and AFC Bournemouth coach Chris Hargreaves – is now out of the running after he accepted the vacant job at fellow League Two strugglers Torquay.

Martin Allen, Iain Dowie, Kevin Wilkin and

Steve Burr are also still in the frame according to bookmakers and rumours are also abound that former Premier League manager Paolo Di Canio has applied for the job.

The Italian was sacked by Sunderland in September and the surprise link is subject of much internet speculation, which has seen his odds for the position tumble.

King's next challenge will be his first home game at the helm on Saturday, when York City will be the visitors.

Joe Widdowson is an injury doubt with a shoulder problem so King is looking to bring in a left back on loan to bolster his ranks in defence.

"We always said it's a game at a time, and it

seems I've got a game at a time so we can't look at it any other way," said King.

Meanwhile, Cobblers striker Roy O'Donovan has travelled to Dubai ahead of a possible move abroad to Brunei based club DPMM.

The unusual situation was revealed last week with Cobblers granting the Irishman permission to explore the possibility of the switch to a club who are managed by former Blackburn Rovers boss Steve Kean.

Defender Matt Heath has left Northampton upon the expiry of his short term contract and on loan striker Luke Norris has also departed the club for his parent club Brentford early due to injury. Crystal Palace midfielder Kyle De Silva could also arrive on loan.

# King has more hope

BY DAN PALMER

dan.palmer@lsnmedia.co.uk

Andy King is in pole position to land the Cobblers job full-time after chairman David Cardoza publicly backed the caretaker's performances.

King, who is eyeing the position, has faced a tricky job interview since Aidy Boothroyd's sacking as all three games he has been in charge of have been away from home.

However, he has masterminded a mini revival at the Football League's bottom club with four points from the treble of games, culminating on Saturday with a much-needed 2-1 victory over Newport County.

The 57-year-old has also been given the green light to sign new players and allow others to leave and on-loan Everton striker Hallam Hope, pictured, opened the scoring against County after becoming one of his new additions.

Cobblers are still in big trouble in the League Two relegation

zone where they are a point adrift of nearest rivals Torquay United and Bristol Rovers but Cardoza has stated that King's performances have bought him time with the team's displays meaning they do not need to rush their appointment.

"Andy King is doing a terrific job steadying the ship," said Cardoza. "The spirit in the last three away games has really pleased me. I expected Andy would do well, and with Tim and the other staff I am reasonably relaxed with the managerial
